

TwinTouch 750e Laser

Wireless laser desktop combo for office

TwinTouch 750e Laser is the latest wireless desktop laser combo from Genius to enhance your office work and working efficiency. It's an excellent match to your PC environment with the popular black finish; and you can enjoy smooth operation with ease.

TwinTouch 750e Laser has 21 quick access hotkeys for Internet function, media center and office tools; also with the "4 way pad", it works just like the mouse scrolling function (zoom function works after you install the software). And **TwinTouch 750e Laser** provides the most popular Windows Vista hotkeys, such as Flip 3D, Photo gallery, and Lock for documents, photo tools and PC security.

The mouse features laser technology to provide more surface coverage and enhances the smoothness of the cursor movement. It also features power saving technology to provide extended battery life.

Comfortable, durable and reliable, **TwinTouch 750e Laser** provides you a totally different wireless desktop combo experience to set you free. For further information, contact our sales representative.
